

FORT WILDERNESS

# Prep Guide Marriage Enrichment

## What to Expect this Weekend

Marriage Enrichment Weekend at Fort Wilderness is a time for you to invest in your marriage. With the full lives most of us live, sometimes our most important human relationship suffers. Marriage Enrichment is a conference-like weekend where you will learn practical skills, get to apply them with your spouse, laugh with other couples, and learn how to communicate better. Hundreds of couples have already been touched at Fort by Dr. Marks, who is transparent about his heart, life, challenges and passion for the Father. He understands people and relationships, and is an excellent teacher. This is an intense weekend, with a goal of drawing you together.
